

This lightweight rechargeable LED lantern is a critical firefighting tool that even floats in water! Its super-bright beam reaches long distances, and two blue taillight LEDs make certain you can be seen by your partners in thick smoke.

Ultra-bright blue taillight LEDs

Toggle switch is easy to use with gloved hands

<p>High and low modes:</p> <ul style="list-style-type: none"> - High: 180 lumens; 100,000 candela; 566m beam; runs 5 hours - Low: 80 lumens; 45,000 candela; runs 10 hours 	<p>Class I, Div. 2, Groups A, B, C, D; Class II, Div. 2, Groups F, G; Class III, T-Code: T4 Charging rack meets requirements of NFPA 1900-11.1.11.2 (2024) mounted in any position.</p>
<p>Deep-dish parabolic reflector produces a tight beam with optimum peripheral illumination Optimized electronics provide regulated intensity</p>	<p>Limited Lifetime Warranty Visit streamlight.com for full warranty information</p>
